I cannot find an electronic copy. I've only had one set of hard copy maps. It's a small site and the PRP's contractor has everything marked.

They finished the shallow borings today, and hand-augered a 15' boring for the SV probe that was close to the gas line. They will complete the remaining 6 x 15' borings with SV probes tomorrow.

Thank you,

Hi Ben,

Is it possible to get a copy of the PRP's work plan?

Thank you,
